

Spring is here, let's give a big cheer!

Spring Sale:

The spring garage sale is scheduled for May 19th from 9:00 am – 2:00 pm. If you do not have a garage you may use green space throughout the property. Please do not block sidewalks or parking spaces.

Pet Etiquette:

ALL dogs are required to be on-leash, at all times. No dogs are permitted to be tethered in the front or back of your unit. Always remember to pick up after your pet and dispose of your pet's waste.

Trash Talk:

Please do not leave trash outside of your unit. When trash is left out it starts to smell and leak. It will also attract the wildlife in the area to enjoy whatever tasty treat you have left out for them.

Bagged Ads:

Please do not leave the bagged advertisements lying on the ground. If you do not need or want them, kindly pick them up and throw them away.

Bulk Area:

There seems to be a continuous problem with illegal dumping in and around the bulk area. The city of Columbus will not remove construction debris, so that means we are stuck with it. Suspicious vehicles noticed in the area should be reported to the office along with the license plate number.

No Butts:

Cigarette butts may not be discarded in the grass, mulch areas, or parking lots. Not only is this a violation it is very unsightly and unsanitary.

Do Not Feed:

We would like to remind you that the rules and regulations state that you are not to feed the ducks and geese. Some of the negative effects are as follows.

- Lack of balanced diet may cause deformity in goslings, hindering the bird's flight ability.
- Feeding causes overcrowding allowing diseases such as botulism and cholera to spread easily and possibly result in massive waterfowl die-offs.
- Geese lose their fear of humans and become aggressive.
- Feeding reduces the need for geese to migrate they stay in an area longer and create more problems.

Parking Violations:

We have noticed several issues with parking on the property, below are the most violations to date.

- There is no parking on the street or in the grass at any time.
- Town home residents may not use the parking provided for the Garden/Flat units.
- If you have a vehicle that has not driven for more than two weeks, it will be classified as abandoned and will be towed.
