MILLINGTON

Fall 2018 Newsletter

The Millington Condominium at Mill Run Association Rules and Regulations have been revised. Please go to www.millingtoncondominiums.com for the latest adopted version.

As the new school year begins the Association asks that cars waiting for the bus to pick up or dropping off children not to stop or park in the exit of the community. When cars line up it makes it hard for other residents to exit the community safely, and could potentially cause an accident.

As many of you may have noticed we have had a lot of items in the bulk area. The city of Columbus will not pick up any construction debris. If you happen to witness an illegal dumper please write down the license plate and car information and report it to the office.

Don't Forget!

To check your smoke detector batteries!!

During a recent property inspection we noticed a lot of porch and balcony decorations. Per the rules and regulations you must have permission from the Board prior to any exterior modifications.

If you have modified your porch or balcony please send a picture of the modification to armillington@yahoo.com for Board approval. If you do not seek Board approval you will receive a violation notice along with a fine.

NEW QUIET HOURS!!

Monday—Friday

9:00 pm—7:30 am

Saturday—Sunday

9:00 pm—9:00 am

Per the new rules and regulations you must have your wood burning fireplace inspected annually and submit proof to the office. If you have a gas fireplace please follow the manufactures' guidelines for inspections.

Have you signed up for direct debit?

If you are interested in signing up for direct debit please come to the office with a voided check and we will enroll you today. It is the most convenient way to pay.

Fall 2018

The next Board meeting will be on November 13th at 7:00!

Just a friendly reminder...

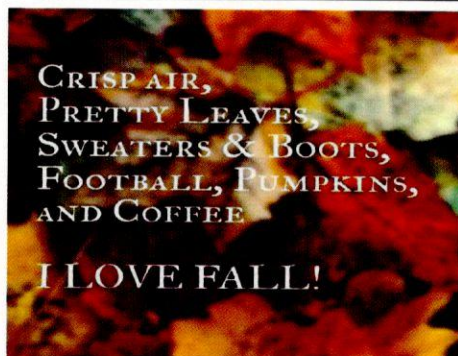

Dog station cans are for pet waste only. Please do not dump your trash in them.

Bikes are not permitted to be stored under the steps.

If you have a water hose connected to an exterior spigot please remove and store it before the cold weather approaches. If the spigot is left on, a pipe could bust and cause major damage to you or your neighbors unit.

Have you changed your phone number lately? If so please contact the office to update your information.

Saturday, September 15, 2018 Hilliard Station Park will be hosting an OSU football game viewing party 6:00 pm—12:00 am. The OSU v. TCU game will be showing on the big screen. Bring your own chair, get some food from one of the food trucks and grab a drink in the Designated Outdoor Refreshment Area.

If the trash compactor has stopped please call the Patterson Merkle after hours number at 614-221-7985.

THANK YOU!!
